valkyrie drive complete dlc pack

Worth it for Mirei and Mamori alone!. More racks to upgrade if you know what I mean (u0361u00b0 u035cu0296 u0361u00b0). For whatever reason, using Mirei and Mamori in story mode either leads to infinite "Now Loading" into the stage, or out of the stage for the 2 times I did manage to play a stage with the pair. +1 for all the costuming options though.. Worth it

for Mirei and Mamori alone!. Well worth the price=D
